DoD Awards Contract to Minority Firm

Advanced Solutions for Tomorrow, Inc. (ASFT), a Georgia-based minority-owned defense contractor, has been awarded a Department

of Defense (DoD) contract worth \$35 million over five years to provide engineering and technical support to the Naval Undersea Warfare Center in Newport, Rhode Island. Under the contract, ASFT will design, arrange, and develop prototypes of submarine combat systems with a goal of developing less operator-intensive systems that will be higher performing and more affordable.

ASFT provides information technology, consulting, systems engineering, integrated logistics, management, and training services to Fortune 1000 companies, the DoD, and state and local governments. ♦
